

Your Development Partner

RE/GROUP

Development Advisors

- Advising Owners, Tenants and Investors in the Development of Commercial Real Estate.

Dendrite International Headquarters
Bedminster New Jersey

RE/Group was selected as the project director & advisor for this 233,000 SF Class A tenant improvement program.

Competing with a field of top advisors, RE/Group was selected to work in conjunction with Dendrite's senior management to accomplish the following: programming, site selection, contract negotiations, landlord interface, departmental coordination, design and construction team management, budget control and schedule tracking for the lease of their new corporate headquarters facility.
